A Critical Study of Textbook Research in Taiwan 1979-2004

Pei-Yi Chou

This is a critical literature review on the topic of textbook research in Taiwan (1979-2004). The result concluded three suggestions for the future study:

1. Establishing a textbook research institute in order to promote the field of textbook study to achieve a higher professional status.
2. Developing a system in order to urge, evaluate and apply textbook research.
3. Elaborating the methodologies of textbook research.

Keywords: Textbook Research, Textbook Application, Textbook Development.
